

SLF530

SUPER-LIGHTWEIGHT REEL MOWER

THE LIGHTWEIGHT SOLUTION FOR SUPERIOR MOWING

This super light weight reel mower sets the standard for advanced precision and performance. The SLF530 leaves turf cut to perfection every time with a wide cutting deck and its lightweight design. With less than 10 PSI ground pressure, this machine is ideal for use on golf fairways and sports fields creating the ultimate operator experience.

LESS GROUND PRESSURE
THAN A GOLFER'S FOOT

SUPERIOR MANEUVERABILITY

SLF530

SUPER-LIGHTWEIGHT REEL MOWER

Powered by a robust 24.8HP Kubota diesel engine, this gas powertrain delivers consistent, reliable performance.

The SLF530 is available in both 3- and 4-wheel drive. The 3-wheel drive model contains a parallel series for exceptional maneuverability and the 4-wheel offers pure parallel system for superior traction and stability.

Equipped with five 5-inch diameter reels as standard, these reels are available in 8 or 11 blade configurations for maximum customization.

530
